FEBRUARY 15

TIME

2:00PM

WHERE

**EAST MOUNTAIN
VINEYARD CHURCH**

**1 EUNICE COURT,
EDGEWOOD**

East Mountain Seed & Garden Coop First Meeting of 2026

Who we are and what we do:

- We are an independent Christian non-profit organization in the East Mountains, seeking to educate and encourage community-building while developing self-sustaining lifestyles. Our focus is learning and working together to grow bountiful gardens, save and share seeds, preserve foods, enhance our own health, and enrich our environment.

Benefits of membership:

- Seeds = FOOD : Enough high quality, open pollinated seed packets to grow a garden for a family.
- Workshop: Topics include irrigation, seed saving, bug control, food preservation and more!
- Knowledge and community - Advice and discussion with like minded- local gardeners, farm tours and live stock advice.

How to join:

- Check out our website for more details and come to our first meeting! It is FREE to attend - if you choose to join, you can select your seeds and start your 2026 garden!
